Columbia Community Foundation Announces Pedal Car Raffle Winners

The Columbia Community Foundation is pleased to announce the winners of the two beautiful pedal cars raffled off at the recent Columbia Homecoming. The winning ticket for the black pedal car was purchased by Tom Wagner of Columbia Station, but the real winners were his young sons Vaughn and Jacob who have been putting miles of fun on the car since. The pink pedal car was won by William and Nancy Hershey of Grafton.

The vintage-style pedal cars were donated to the Columbia Community Foundation by Erie Coast Custom & Collision.

The Columbia Community Foundation would like to congratulate the winners and thank everyone who purchased tickets in the pedal car raffle.

Additionally, the winner of the free raffle for a pair of tickets to the 2012 Columbia Community Foundation's Annual Gala was Mel Grills.

The Columbia Community Foundation is a registered 501(c)(3) non-profit public charity which serves the citizens of Columbia Station and neighboring communities through implementation of their charitable aspirations with educational scholarships and community grants.
