Columbia Community Foundation Awards Two Lucille MacClellan Memorial Scholarships

Two graduating Columbia High School seniors have been named the recipients of the 2013 Lucille MacClellan Memorial Scholarship presented by the Columbia Community Foundation at the Columbia High School Senior Awards ceremony on Wednesday May 15th.

This year's honorees are both science minded young women. Ashlee Cordell will be attending Miami University in Ohio where she plans to major in Biochemistry.

Halle Miller also plans to attend Miami University where she plans on majoring in Chemical Engineering.

Ashlee and Halle will each will receive \$1000 scholarships to help further their education.

Affectionately known as "Mrs. Mac", Lucille MacClellan contributed to Columbia Township as a school teacher, event organizer, and by providing financial assistance when she recognized a need. This scholarship's purpose is to acknowledge students who, like Lucille MacClellan, demonstrate a devotion to the community.

The Lucille MacClellan Memorial Scholarship is available to any resident of Columbia Township who is a current graduating senior in Columbia High School aspiring to attend a two-year or four-year college, trade school, technical institute, or other post-secondary education program. The application process for the 2014 Lucille MacClellan Memorial Scholarship will open in February.

The Columbia Community Foundation is a registered 501(c)(3) charitable organization that serves the citizens of Columbia Township and neighboring communities through implementation of their charitable aspirations by awarding educational scholarships and community grants.
