## **Columbia Community Foundation Salutes Columbia Community VBS for Flower Planting**

The Columbia Community Foundation would like to thank the Community Vacation Bible School for their work to plant flowers at two community landmarks recently.

The theme of this year's VBS was 'Growing in God's Garden'. In keeping with that, Rev. Steve Spaeth of the New Life Wesleyan Church approached the Community Foundation about having the children do some plantings at the Community Corner.

J&J Greenhouse donated the flowers and the children did a great job planting them in the beds above the foundation stones.

The next day, the Columbia Community Foundation purchased additional flowers, and the children returned to plant that around the Gazebo in Columbia Park. The kids did a great job!

The Columbia Community Vacation Bible School is cosponsored by the ClearView Church, Columbia Baptist Church, Columbia United Methodist Church, Hosanna Lutheran Church, New Life Wesleyan Church, North Eaton Christian Church and St. Elizabeth Ann Seaton Church.

The Columbia Community Foundation is a registered 501(c)(3) non-profit public charity committed to providing funding for scholarships, and good works in the community. For information on the organization, please call the Columbia Community Foundation at 440-236-8000 or visit the group's website at [www.columbiacommunityfoundation.org](http://www.columbiacommunityfoundation.org).
