Columbia Station, Ohio 44028

Dear Board Members:

Thank you for your very generous donation of two Solar LED Blinking Stop Signs at a cost of \$3,100.00. One stop sign was installed at the intersection of North Boone Road and Snell Road and the other at the intersection of Clarke Road and Snell Road. Use of these stop signs increases the safety of the township roads where they are located. Also, residents living in the vicinity of these intersections appreciate the added safety and fewer accidents that can be attributed to these stop signs.

These stop signs yet are another example of how the Columbia Community Foundation works to improve the lives of the residents of our community.

Yours truly,

COLUMBIA TOWNSHIP
